

# WORK IT UP

PRACTICE LIKE YOU'VE NEVER WON.  
PERFORM LIKE YOU'VE NEVER LOST!

## OVERVIEW

Are you a Contemporary dancer? Or are you a master of the Classical? Or do you rock with Hip-Hop? Or maybe you just like to flow with the beat and enjoy every move to your heart's content? It short, have you got a knack for dancing?

If YES, then you would be pleased to hear that we at Indian Institute Of Information Technology, Nagpur, are organizing a National Level Dance Competition.

Here you can show your talent to a large pool of audience and compete with others who might share your dreams.

The competition will be conducted by the Dance Club team of IIIT Nagpur, for our annual cultural fest, Abhivyakti 2022.

## **INSTRUCTIONS**

1. Students have to register for the competition via the google form provided on website.
2. Students will submit their dance videos which will be shown during the competition on YouTube live.
3. The Judge will see the performances and decide the winner.

## **RULES AND REGULATIONS**

1. The decision of the judges will be absolute and binding.
2. Time of video must not exceed 5 minutes.
3. Both solo and group performances are allowed.
4. The video quality must be considerable for judges to evaluate properly.
5. If there is any technical glitch with the submission of the video (e.g. no sound) then the participant is solely responsible for it.
6. The content of your submission must not harm any religious or cultural sentiments. If submitted content is found inappropriate, you will be immediately disqualified.
